Monday, October 29, 2012
Council Chambers at 5:30 p.m.

Present: Keith Eide, Tom Dybing and Steve Rahn

Absent: Ceil Allen and Joe O'Connor

Visitors: Michael Charlebois

SPECIAL MEETING:

Rahn called the special meeting to order.

Dybing made a motion to approve the agenda, second by Eide, motion carried.

Mayor Rahn noted that this meeting was called by him to address the storm sewer issue in relation to the Riverside on the Root restaurant. Mayor Rahn noted that he went back to look at the outlet storm sewer owned by the City and noticed a significant change in the washed out area around and underneath the pipe. He is concerned in regards to the effect that the winter may have on this area. It was noted that the water is low and the river bank is easy to access due to the water being low. Charlebois noted that he had a bid for Minnowa to fix the area around the pipe noting that a flurry of rock, cement or rip rap could be used. Dybing made a motion for Vickerman to contact Minnow and ask them to repair the river bank near the storm sewer pipe prior to the winter, not to exceed \$5,000, second Eide, motion carried. Charlebois agreed to pay some costs associated with the area near the storm sewer.

ADJOURN:

At 5:44pm, Eide made a motion to adjourn the meeting, second Dybing, motion carried.

Respectfully Submitted,

Bobbie Vickerman
City Administrator/Clerk
